Here's how the tournament works: There are three categories: 1) **Co-ed** (2 males & 2 females **or** 1 male & 3 females) 2) All male team or 3) All female team. A 1st place plaque will be awarded to the winning team in each category.

Scramble Format: Each player hits a shot. The team uses the best hit ball; all players advance to that spot to place their ball. All players then take their next shot from that location. This continues until the hole is finished. So...even if you've never played before or you're feeling a bit rusty...don't worry! Everyone uses the team's best hit ball! GREAT FUN!
